

# TEAM LIST and PROOF of ELIGIBILITY

Please collect the following information and have it verified and/or stamped by the school Registrar or Athletics co-ordinator  
 Each competitor must be enrolled in a minimum of 3 classes (regardless of credit value or hours) during the term of the competition. Graduate school students, teachers college or professional faculty students are also eligible. Students registered in a co-op program and on a faculty approved work term are eligible only if the co-op position is (i) is an organized component of their academic program and/or (ii) is recognized for university/college credit. Please indicate co-op work term students with a "C" along with faculty (ie. Eng "C"). Note, students in a 'co-op' program who are simply out 'working' for a term, are not eligible as per a recognized faculty approved component of their coop program. Students enrolled in an integrated program between two universities or between a college and a university must (a) be in an officially recognized integrated program and (b) prove verification from one or both institutions. *Note: Athletes who are 'full time' in 2nd semester but do not have 3 classes in the fall term are NOT eligible.*
